PHP (< 1 year)

Thet Zaw Latt

FLUTTER DEVELOPER

With over 5 years of hands-on experience in Flutter development , I'm a passionate and active learner dedicated to staying at the forefront of technology. Proficient in crafting visually appealing and user-friendly mobile applications, I bring a wealth of expertise in flutter and leverage additional skills in design using with Figma. My capabilities extend beyond development, encompassing the entire app lifecycle, from design to development. I boast a successful track record of publishing apps on diverse platforms, including the Google Play Store, Apple App Store, Testflight and Huawei App Gallery, showcasing my commitment to delivering high-quality mobile solutions.

I have experienced with GetX and Provider state management.
